Welcome to the UW Laboratory Safety Manual (LSM). Please bookmark this page electronically or print a copy of the complete LSM and make it available to laboratory staff. Staff in UW laboratories using hazardous chemicals must have access to a copy of the manual and the supplemental laboratory specific information.

Laboratory Safety Manual | EHS

To cite a lab manual using the APA format, start with the department name as the author and follow with a period. Next, identify the year and semester that the manual was used in parentheses, place a comma in between, and then place a period after the closed parentheses. Next, list the title of the manual and place a period after the title.
