Rebuilding The 6.6L Duramax Diesel

Rebuilding The 66L Duramax Diesel By Roy Berndt It was really no surprise, since GM had single-handedly alienated the American buying public against the diesel engine beginning back in the late '70s and early '80s with the 57L V8 and 43L V6 diesel engines that were, let's just say, "less than stellar" While there's no point now in
